Privacy statement

Version 1.0 - English translation

> This is a translation of the Dutch text. In case of any difference, the Dutch text (and the PDF) is binding.

Innovative Consultants B.V., trading as Energieluitjes.nl, provides services relating to emission rights for businesses and private individuals. We process personal data with care and in accordance with the General Data Protection Regulation (GDPR).

1. Which personal data we process

- Name and contact details
- Address details
- Company details (such as Chamber of Commerce and VAT number, for business customers)
- EAN code of the electricity connection
- Data needed to determine and sell emission rights (EREs)
- Financial data (such as bank account number and invoices)

2. What we use this data for

- Claiming emission rights based on the EAN code of your electricity connection
- Selling emission rights (EREs) on your behalf
- Performing and managing agreements
- Preparing invoices and processing payments
- Complying with legal obligations

3. Legal basis for processing

- The performance of an agreement
- Legal obligations
- Our legitimate interest
- Your consent (where applicable)

4. Who we share data with

- Parties involved in the trading and transfer of emission rights
- The Dutch Emissions Authority (NEa)
- The renewable energy registration verifier
- Administrative and financial service providers
- IT service providers

5. Retention and security

We do not keep personal data for longer than necessary, unless we are legally required to keep it longer. We take appropriate technical and organisational measures to process and protect personal data with care.

6. Your rights

You have the right to access, correct or delete your personal data. You can also object to processing or ask for your data to be transferred. You can send requests to info@energieluitjes.nl.

7. Changes

This privacy statement may be amended. The most recent version is always available on the website.
