

EARN MONEY WITH YOUR CHARGER

Connect your Zaptec charger to Energieluitjes

Give us one-time access to your Zaptec installation. From then on we collect your charged kWh automatically and take care of the rest.

What does a year of charging earn you?

for private customers

2,000 kWh	4,000 kWh	6,000 kWh
approx. 10,000 km	approx. 20,000 km	approx. 30,000 km
€ 188	€ 377	€ 565

This is a realistic example based on the 2026 NEa (Dutch Emissions Authority) rates. Prices are indicative and may fluctuate; they depend on volume and market conditions at the time of sale.

How it works

In the Zaptec portal you give Energieluitjes access to your installation in four steps. It takes about two minutes. **Have more than one installation?** Then go through the steps for each installation.

You do need a **Zaptec Pro** or **Zaptec Go 2**: only these have a MID meter, a certified kWh meter whose readings count.

WHAT NEXT?

We take care of the rest

Questions? Email
helpdesk@energieluitjes.nl

- We collect your chargers and charging sessions automatically, going back to 1 January.
- We register your kWh and sell the EREs: the certificates your charging electricity is worth.
- We pay your fee into your bank account. No cure, no pay.

STEP BY STEP

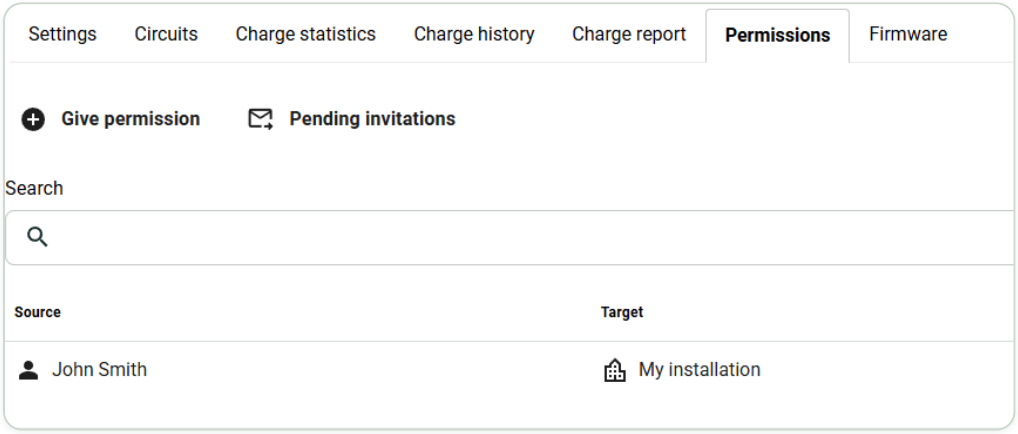

Give access in the Zaptec portal

Log in to **portal.zaptec.com** with your own Zaptec account. Follow the steps below to sign up your charger.

> **Permission is given per installation.** Have more than one Zaptec installation? Then go through steps 1 to 4 for **each installation**. We can only collect data from installations where Energieluitjes is listed under Permissions.

1 Open Permissions

- Click **Installations** at the top and then your address to go to your installation (if you have several: start with the first)
- Open the **Permissions** tab
- Click **Give permission**

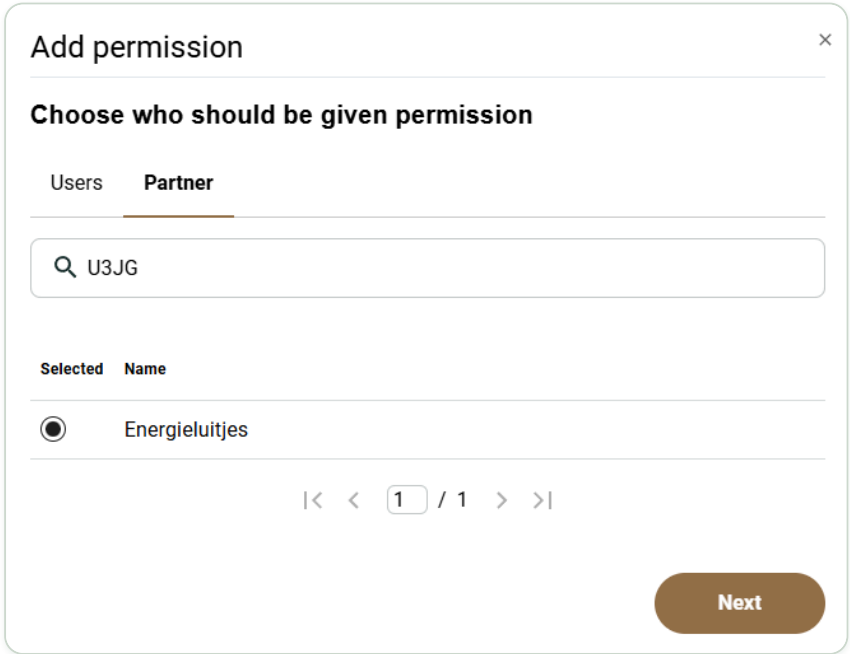

2 Search for our partner code

- Click **Partner**
- Enter the partner code in **Lookup key**
- Select **Energieluitjes** (radio button)
- Click **Next**

PARTNER CODE

U3JG

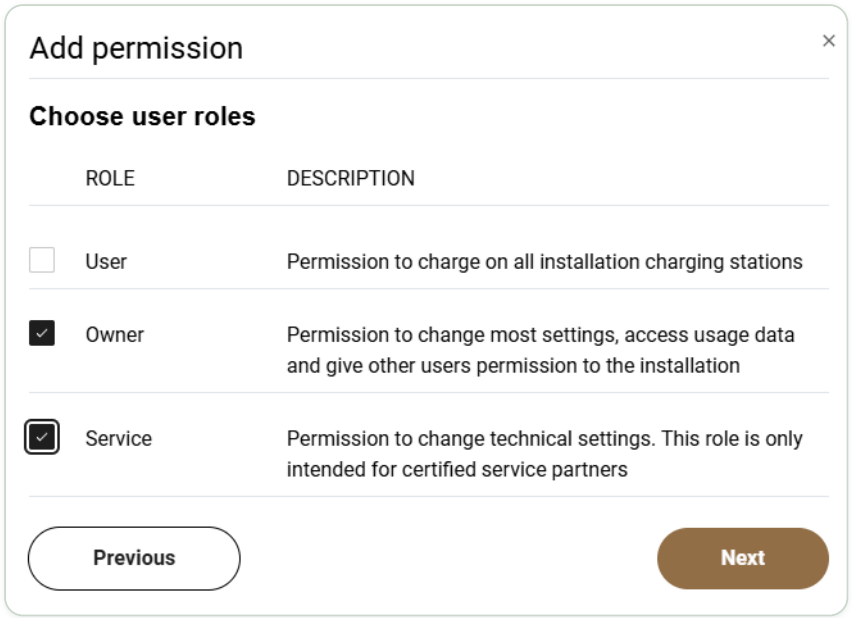

STEP BY STEP

Choose roles and save

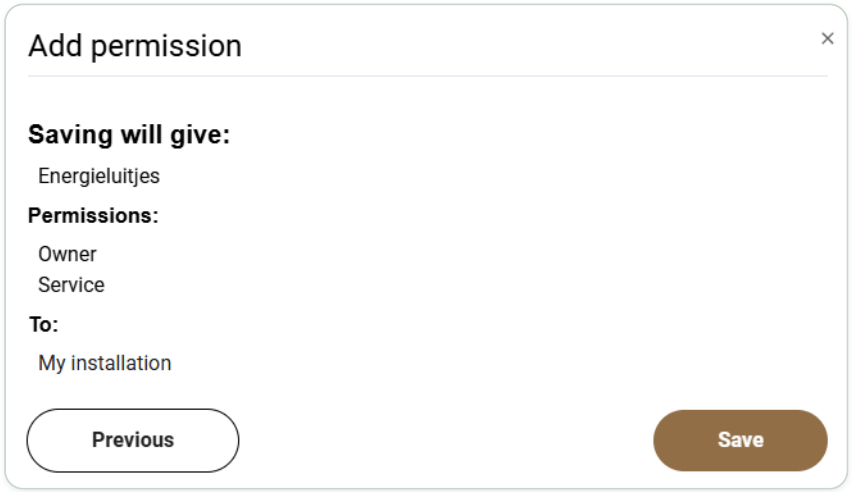

3 Add permission

- Select **Owner** and **Service**
- Click **Next**

4 Check and save

- Check that Energieluitjes gets the **Owner** and **Service** roles
- Click **Save**

Done! Energieluitjes is now listed under your Permissions with the Owner and Service roles. You will then receive an email from us to complete the rest of your sign-up. That takes 5 minutes at most.
More than one installation? Go back to step 1 and repeat the steps for your next installation, until Energieluitjes has access to all of your installations.
